1. Your First Week

- Your groupware, VPN, and Contoso AI accounts are created automatically 3 business days before your start date.
- On your first morning you attend the HR Team orientation; in the afternoon you are introduced to your team and meet your mentor (buddy).
- The probation period is 3 months, and your Team Lead meets with you in weeks 4 and 12.

2. Required Training (within 30 days of joining)

Training	Duration
Information security training (including the generative AI usage guidelines)	2 hours
Workplace harassment prevention training	1 hour
Occupational health and safety training	2 hours

3. Corporate Card and Expenses

- Assistant Managers and above are issued a corporate card as soon as they join. Associates receive theirs within 3 business days after Team Lead approval.
- Submit expense reports in 'Contoso Pay'. See FIN-002 for the policy.

4. Frequently Used Company Systems

System	Purpose
